RE: PETITION FOR WAIVER RELATING TO CC DOCKET No. 92-256

Dear Ms. Bergold and Crellin:

Here are GTE's responses to the questions you raised in our meeting today on the Petition for Waiver of Certain ONA Filing Requirements we filed on March 2:

1. *Is GTE seeking a waiver of the ONA order that GTE implement ONA requirements and nondiscrimination safeguards 15 months after the release of the order?*

No. GTE is seeking a waiver of only the requirements that we file an interstate ONA tariff by April 4, 1995, and that we submit the first semiannual tariff report on September 30, 1995. If this waiver is granted, GTE intends to fully comply with the remaining ONA requirements and nondiscrimination safeguards within the time specified in the order.

2. *What would be the impact on GTE's offering of ONA services if the waiver is granted and the tariff filing is delayed?*

Of all the services described in the ONA Plan, GTE will be seeking to establish pricing for only 11 new or non-chargeable services — 3 BSAs and 8 BSEs. GTE already is offering the remaining services in its ONA Plan on an unbundled basis.

Please call me at 463-5293 if you have any questions.

Sincerely,
